To the Rotary Club of Cockburn,

Thank you for your generous donation of \$500.00 to our Foodbank Winter Appeal 2017.

I am pleased to say that we are well on our way to achieving our goal of 200,000 meals for West Australian children in need this winter!

In fact, as we have raised enough so far to provide 145,620 children a meal, which is a fantastic result.

This financial year Foodbank is on track to deliver 6 million meals throughout the state, which is more than 24,000 meals a day! This wouldn't be possible without the generosity of our food and financial donors and the helping hands of our volunteers who work tirelessly for our cause.

I'm very grateful for your help and we look forward to your continued support.

Together we can fight hunger in Western Australia.

Kind regards,

Greg Hebble
Chief Executive Officer
